

How can I benefit from Therapyside?

Online Therapy Instructions

Unlimited Therapy Sessions free of charge

Minsait Business Consulting cares about your well-being. That's why we've partnered with Therapyside to offer you **as many 50-minute video sessions as you need**. Enjoy a high-quality, convenient service tailored to your needs.

A Safe and 100% Confidential Space

Your privacy is our priority. Only you and your therapist will have access to what you share during your video calls, which are encrypted end-to-end.

No one from your company will have access to your personal information, preferences, or activity on Therapyside.

How to Get Started step by step

03

Once the form is complete, register using your **corporate email address** [@minsait...] to create an account.

04

Finally, check your inbox and verify your account with the code we send you.

Select your **MBC Plan**, and you're ready to go!

You are all set!

01. Assignment of a Therapist

We'll assign you the **best-suited professional** based on your preferences. You can enjoy **as many 50-minute video sessions as you need** free of charge, along with private chat access to communicate with your therapist anytime.

02. Want to help your family and friends take care of their well-being?

Share the code **MBCFAMILY** with them so they can also enjoy the flat rate of €37 per session in Spanish or £41 in English.*

** If a user has a previous rate, they can keep it until they finish their current therapy process.*

Before you get started... Remember!

- Sessions are automatically scheduled for consecutive weeks. If you need to space them out, simply request a **PAUSE** from your therapist!
- If you can't attend a session, let your therapist know at least 24 hours in advance to avoid losing it. It's that easy!
- In case of doubt, reach out to Therapyside through this [form](#).

Therapyside makes it easy to access high-quality psychological support through online therapy. With the primary goal of placing mental health at the forefront, it works to bring psychology into people's daily lives and contribute to its destigmatization, helping to break down barriers that hinder access to therapy and serving as a meeting point between psychology professionals and those individuals who want to enhance their emotional well-being.
